WRITING SECTION

Write a paragraph of about 150 words contrasting HUMAN BEHAVIOR and ANIMAL BEHAVIOR in terms of adaptability and the satisfaction of drives*. Below are some quotations from the material you have already studied. You may use the information in them as long as you paraphrase it. Please include your own examples as well.

* drive: a very strong need or desire

"Although we are hungry, according to society's rules, we should not steal food, even if it belongs to someone weaker than we are."

"Man is found in a wide variety of environments ranging from the very hot to the very cold, from the very humid to the extremely dry."
