The following are some flight safety rules. Each passenger is asked to obey them before the plane takes off. You (1)_____________ take hand luggage with you on the plane, but please don't take more than one piece because there is very little space in the cabin for extra baggage. There are cupboards above the seats for your hand luggage but if your luggage is heavier than 25 kilos, you (2)_____________ put it there. Please use the space under your seats.

Please remember: you (3)_____________ smoke on the plane — not even in the toilets. Also, you (4)_____________ fasten your seat belt when the plane is landing or taking off. It’s very important. But you (5)_____________ stay in your seat during the whole flight. You can take a walk on the plane if the "fasten your seat belt" sign is off.

We also have some piece of advice for our passengers. As you know, we serve alcoholic beverages on the plane, but you (6)_____________ drink too much since it limits your ability to move quickly if there is an emergency. Also, you (7)_____________ wear comfortable clothes for better blood circulation.

D. Fill in the blanks with ONE WORD ONLY.

Winston Churchill was a famous British politician. He was born in Oxfordshire, England, (1)_____________ 30th November, 1874. He studied at the Royal Military College in Sandhurst. (2)_____________ he completed his education in 1896, he worked (3)_____________ a journalist. Three years (4)_____________ , he became a politician. He became Prime Minister in 1940.
